Mr. Bob Morgan
P.O. #794
Flint, Michigan

Dear Mr. Morgan:

Many thanks for your recent letter. Indeed, your letter of March 23, 1967 to Mr. Garrison was received--- you used the alias Don Morgan at that time. Per your instructions, a personal ad was placed in the Berkeley Barb, but perhaps it was placed too late.

I share your suspicion that Richard Nagell is telling the truth. I don't know if you ever get this way, but if so possibly we could compare notes. In the meantime, I do know that his sister is actively pursuing his case. She is:

Mrs. Eleanore G. Gambert
82-25 Grand Avenue
Elmhurst, N.Y. 11373

I am sure she will be happy to hear from you if there is any light you can shed that will help Richard.

Sincerely,

William W. Turner
